POLICIES AND PROCEDURES

SERVICE CHARGE

All prices are subject to a 25% service charge.

MINIMUM ORDERS

There are minimums associated with specific menu items & catering setups.

GLUTEN FRIENDLY

Why do we call it Gluten Friendly? The indicated items are gluten free, but because we use high-gluten flour in our kitchen, there is a chance of cross-contamination on all items. We cannot guarantee that items are 100% gluten free.

LINEN SERVICES

Room rental includes setup and tear down of linenless tables and chairs. "Captain's Choice" table linens can be applied at an additional cost. In-house centerpieces, plates, utensils, and other basic supplies for food service are included in the normal setup for receptions. If anything else is requested, there will be an additional charge.

ICE SCULPTURES

Ice sculptures are available upon request. Contact your Sales Representative for more information.

OUTSIDE FOOD AND BEVERAGE

We are vendor preferred and food & beverage exclusive. Therefore, no food and/or beverages are permitted to be brought in from any outside source. This includes any on-site restaurants throughout the property. If any outside food or beverages have been brought into the Convention Center, a fee and gratuity will be assessed.

GUARANTEES AND CANCELLATIONS

Event Point of Contact shall specify number of persons to attend the function at least 2 weeks prior to the start of the scheduled event. This number will be the guarantee for which the group will be charged (applies to the per-person menu packages as well). This number may be increased but may not be decreased.

SIGNAGE

Taping, tacking, or otherwise affixing any materials to wall, floors, or ceilings is not permitted.
