WinStar World Casino and Resort Opens New Baccarat Salon in Beijing Gaming Plaza

1,350-square-foot space features eight state-of-the-art tables, charging station, and central proximity within the casino

THACKERVILLE, Okla. (March 19, 2026) – WinStar World Casino and Resort is inviting guests to experience a refined, exclusive destination for elevated play at its all-new Baccarat Salon.

Located inside WinStar's Beijing Gaming Plaza, the 1,350-square-foot space features an expanded selection of eight brand-new Baccarat tables, including five Mini Baccarat tables offering the Dragon Bonus side bet and three Dai Baccarat tables.

The Baccarat Salon was thoughtfully crafted with luxurious details, such as a charging station, to create an intimate and energizing atmosphere for high-focus gameplay. The exclusive area gives guests more room to play and more opportunities to engage in this timeless game.

WinStar's Beijing Plaza is located near the Rome Grand entrance, allowing players to conveniently move between the hotel, casino floor and the Baccarat Salon while still maintaining a more private, premium gaming environment.

"Baccarat is one of the biggest, most iconic casino games in the world," said Jack Parkinson, president of WinStar World Casino and Resort. "It only seems fitting that we dedicate an inviting, elegant space for players of all levels to come experience the thrill of Baccarat while they're visiting the World's Largest Casino."
